

We have opportunities for doctors to work with Radio Doctor Illawarra undertaking both home visits and telehealth consultations in the after hours period. Specialist or non-specialist doctors are welcome and will be provided with competitive remuneration and a high level of admin support while working with Radio Doctor.

This work may be of particular interest to semi-retired, non-VR or GP Registrars as it can occur around other personal, study or daytime work commitments. As a doctor you are likely to know of other doctors who may be seeking supplementary or primary income.

*** Under the doctor referral scheme you will be paid a referrer's fee of up to \$6000 if you refer a doctor, who works for a minimum of 6 months and completes an agreed number of hours per week (see T & C's below).**

The referred doctor will also receive a \$1000 bonus on completion of the 6 month period.

Terms and Conditions

- The referred doctor must complete the agreed hours over the 6 month period
- Hours will be the average hours per week over the 6 month period (rounded to the nearest level).
- Referral fee will be paid by direct deposit on the completion of each month of service. The Referral fee will be calculated as follows:

<i>Avg hours per week</i>	<i>Amount paid per month</i>	<i>Total Paid over 6 months</i>
30 hours	\$1000	\$6000
24 hours	\$800	\$4800
18 hours	\$600	\$3600
12 hours	\$400	\$2400
6 hours	\$200	\$1200

- The referral must include the doctor's full name, phone and email address and you must have their agreement that they are happy to be referred to Radio Doctor.
