

DOCTORS URGENTLY NEEDED VR, GP Registrars, Non-VR

Are you looking for interesting and well paid work which won't affect your day time commitments?

Opportunities exist for GP's, Registrars & non-specialist doctors for after hours, home visit & tele-health work with Radio Doctor Illawarra. The flexibility in hours combined with varied and interesting home visit work provides excellent experience for doctors undertaking or planning to undertake GP specialist training. We will help you with all steps necessary to obtain a provider number and provide you with ongoing support. Other benefits include:

- ✓ Regular or casual evening, weekend, or public holiday shifts
- ✓ Guaranteed hourly rate or 66-70% of billings
- ✓ Supports good work/life balance
- ✓ Hours count towards RACGP or ACCRM training requirements
- ✓ State of the art on-line patient reporting and billing
- ✓ Experienced driver/chaperone and comfortable company vehicles available
- ✓ Comfortable premises located in Wollongong
- ✓ Dedicated, specialist after hours call centre and daytime office

BONUS OFFER – Three months subscriptions credit (valued at over \$1400) for your regular GP practice on completion of 10 full shifts
